Dear Mr. Tetreault:

This letter is to inform you that the Pueblo of Laguna has selected the Jacobs Engineering Company of Pasadena, California as the contractor for the design phase of the Jackpile Reclamation Project. As such they will require any data submitted by the Anaconda Mining Company during the course of their operations on the Laguna Reservation. From time to time they will contact you to make these data available for examination and return. Please be informed that they have the tribe's permission to examine any information they might require. Thank you for your continued cooperation.

Sincerely,

PUEBLO OF LAGUNA
